Indhold kort

En hvalros, en sæl og en hummer mødes og et kærlighedsdilemma opstår. Det er hummeren, der kører med klatten i motionscenteret, men i saunaen bliver det pludselig for varmt for hummeren, og så er hvalrossen og sælen endelig alene.

Faglig relevans/kompetenceområder

I forhold til Forenklede Fælles Mål er der i vejledningen fokus på skriftlig kommunikation, idet der arbejdes med produktion af skriftlige tekster, der har sammenhæng både i indhold, form og genre.

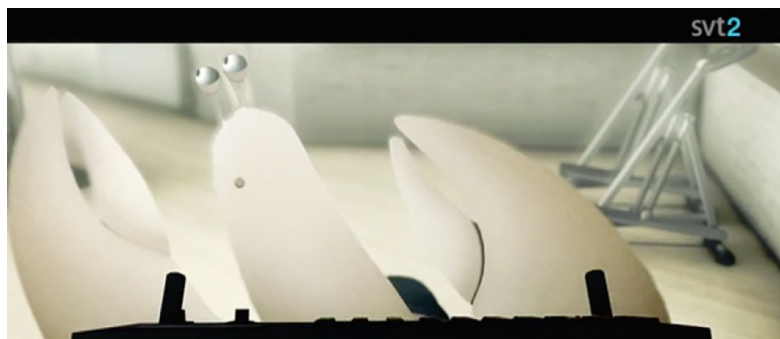

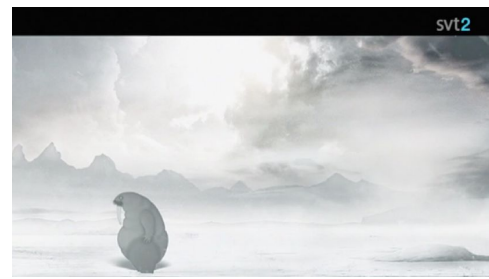

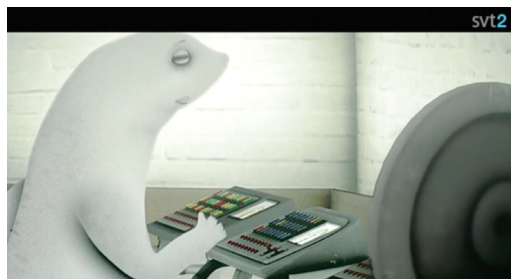

Der er udarbejdet en kapitelmærkning til filmen. Denne tænkes anvendt til at

arbejde med elevernes forforståelse. Dvs. at før hvert filmisk afsnit læses kapitlemærkningen, og eleverne skriver således noter før de ser afsnittet.

Ideer til undervisningen

Forforståelsen

Der arbejdes med forforståelsen og simple forståelsesspørgsmål via kapitlemærkningen af filmen, hvor der sættes fokus på de tre forskellige lokationer historien foregår i samt relationerne mellem hvalrossen, sælen og hummeren.

After watching the film

- A.
1. In groups of four watch the film again. Three of you are going to take a close look at one the characters: the seal, the lobster or the walrus – person four is going to study the fitness centre.
 2. Fill out a table like the one below.
 3. Watch the film as often as you like in order to get many details.
 4. Swap information with 2 other groups to get even more details.
 5. Talk about: Why is the film called 'Cooked'?

The seal	The walrus	The lobster	The fitness centre
a girl	a boy called Rob	he has a car	ordinary people

B

1. Make mindmaps (fx in mindmeister.com - skoletube) for the three characters with vocabulary that characterizes the three figures. Write facts and characteristics and think of what makes them nice, what makes them pitiful, what makes them not likeable, not tolerant, etc.?

Make a mindmap with vocabulary you think of when looking at the people in the fitness centre.

2. Choose one of the characters (the seal, walrus or lobster) and write a reader's letter to a lifestyle magazine, internet site, or newspaper, where you write about this big problem of yours, not being able to find a partner. Use the vocabulary from the mindmaps.

3. Use www.padlet.com to upload your letter on the wall. When all the readers' letters have been posted on the wall choose one and give good advice.

Other ideas.....

4. In groups of three create a dating site - remember to name it- (fx wix.com or padlet.com) and have the walrus, seal and lobster sign (with a good photo of course). Let them make a profile, where keywords might be:
job, education, friends, family, children, hobbies, interests, values in life, political view, why this relationship etc.

Swap dating site with another group and have some of the ordinary people in the fitness centre answer it. Will love blossom?

5. Write Rob's and Lucy's love affair from the perspective of the lobster

6. Rob seems rather unhappy. In no more than precisely 50 words write his story.
