Pædagogisk note

Filmen er egnet til temaer som Family, Growing up og Love. Der er masser af muligheder for at arbejde med beskrivelser af filmens karakterer, deres relationer og udvikling samt af steder, historien udspiller sig. Der er mange eksempler på 'leg' med sproget og chunks, I kan sætte fokus på. Den pædagogiske vejledning består af overordnede ideer ind i områderne mundtlig kommunikation og sprogligt fokus med vægt på spørgsmål/svar. Vejledningen indeholder nogle få konkrete forslag til opgaver samt et kapitelsæt, som har spørgsmål til væsentlige scener fra filmen. Filmens officielle trailer kan ses nederst på siden.
