

HER BOR JEG

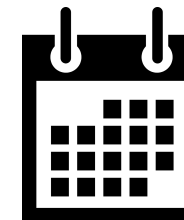

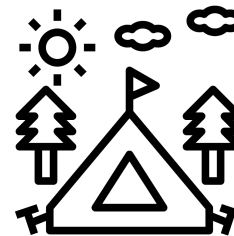

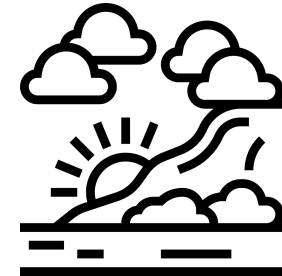

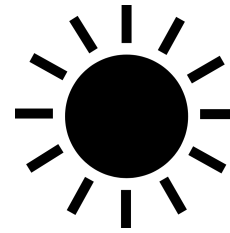

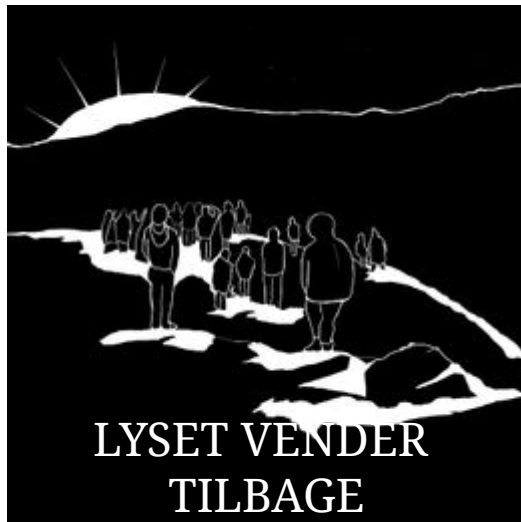

LYT OG FORTÆL

Nu skal I lytte til en podcast, der hedder **Lyset vender tilbage.**

Podcasten finder sted på Holms bakke, også kaldet Seqinniarfik. Det betyder ”*Stedet hvor solen bydes velkommen*”.

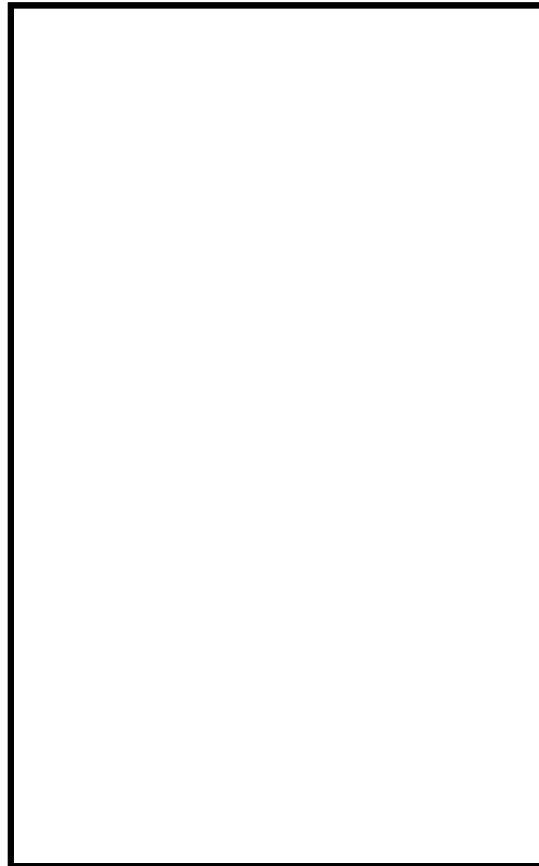

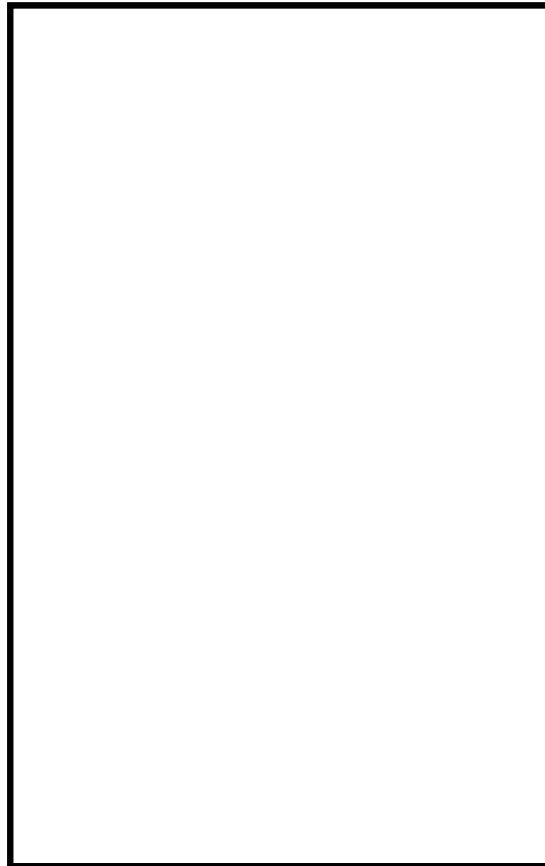

Når solen bydes velkommen, betyder det at lyset er vendt tilbage efter lang tids mørke. Det fejrer de med sang, kage og kaffe.

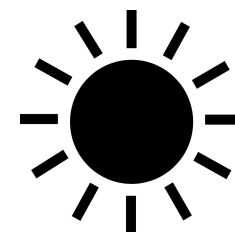

MINE VIGTIGE DAGE

Når lyset vender tilbage, så varer det ikke længe "*før man lever døgnet rundt*", siger Lisa. Og det skal fejres! Med velkomstsang, kaffe og kager.

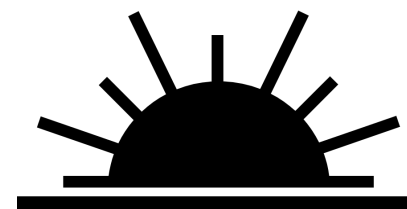

Den 13. januar er en vigtig dag for Lisa. Hvilke dage eller traditioner er vigtige for dig?
