Animationsfilm: The Backwater Gospel. Spilletid 9'32", Afgangsfilm fra Animationsværkstedet, Viborg, 2011

Animationsfilmen er en grotesk fabel om død, fortabelse og religion i Det Vilde Vesten, med bedemanden som eneste overlevende i et ragnarok af myrderier og grafiske, groteske nedslagtninger.

Vejledningen består af en billedbank med screen-dumps fra filmen – og en udskrift af filmens engelske dialog. Lægger op til diskussion, fortolkning, oversættelse og samtale.

Faglig relevans/kompetenceområder

Eleverne skal have fokus på, at alle tekster er udtryk for synspunkter og underliggende budskaber. Dette foregår ved tematisk arbejde med tekster, som tilsammen giver forskellige vinkler på det tema, der arbejdes med.

Ideer til undervisningen

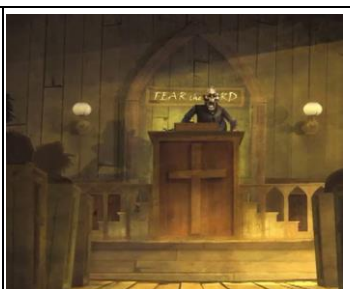

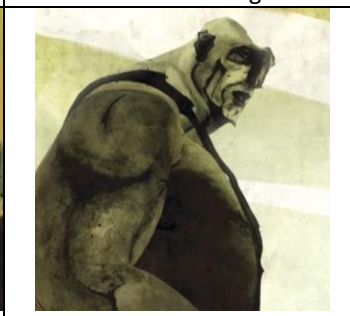

Brug billedbanken og dialogudskriften som udgangspunkt for diskussion af plottet og de filmiske virkemidler. Herunder især billedbeskæringer, kameravinkler og –bevægelser, klipping og lydsiden. Diskuter filmens holdning til religion.

Song: "The shadow of the Undertaker creeps across your floor. Go lock up all your children and paint blood upon your door. These hills are filled with whispers....."	"Babaaa!"	"And the toll of death's now, He climbs from hell, to drag some poor soul back"

		
"Submit to the lord!"	"Why don't you try it?"	"One bad apple people, that's all it takes, one bad apple! And the whole barrel is spoiled! Do you wanna see that barrel? " If you fail to destroy that apple, who will carry the blame. It is said that in the City of Shechem every man was punished for the sins of one man, and the punishment was... DEATH."
		
"The undertaker is coming"	"But who is he coming for?"	"Well it ain't gonna be me!"
		
"Children, stay, stay with me, don't abandon me children, don't go."	" I'm sorry father"	"No no noooo..... No no!"

		
"That Old Bible speaks of angels doing service unto the LORD. The Undertaker knows no master. He drinks from any cup poured. Just as banshees wail their warnings that someone that same day will die, the Undertaker states the same and I'll be goddamned if he tells a lie."	"Is it gonna be me?"	"Yes father."
		
"The LORD is testing us people, for seven days we have been tormented because that Son of Perdition refuses to fear the Lord. How long must we suffer from his wicked words. The Lord wants us to destroy the bad apple, and with his soul in my hand, I say the blasphemer shall be stopped!"	"Let he who is without sin, cast the first stone".	"Oh God.. NO!"

		
"Well it ain't gonna be me"	"Father you have brought this upon us!"	"The Undertaker raises no hand but all fear him just the same. His presence foretells both blood and death, yet he shoulders not the blame. Like the shadow of the vulture circling blackly overhead, the Undertaker's drawn to death like a knife is drawn to red."
