

Quiz-Quiz-Trade – Bilag 1

Lav en "Quiz-Quiz-Trade" på forståelse af teksten. Hvis der er mere end 22 elever i klassen, må nogle af spørgsmålene gå igen, eller du må finde på flere.

Til spørgsmålene er der tre svarmuligheder, hvor kun den med fed skrift er korrekt. Hvis eleven svarer forkert, fordi denne ikke har forstået teksten helt, skal spørgeren fortælle, hvad der er det rigtige svar, så den viden kan tages med videre. Eleverne bytter brik og går hen til en anden kammerat, når begge har spurgt og svaret.
