1 Dear Lucy,
How are you? I'm fine. I'm *studying* a lot at the moment. I'm learning to write in *shorthand*. I want to help Jonathan with his work. I'm also learning to use a *typewriter*. I'm now quite good. When Jonathan and I are married, I can type his work for him. I had a *letter* from him yesterday. He's coming back soon. He's writing a *diary*. I'm going to write a diary, too. A lot of people say it's very good for you. They say it helps your memory.
I'm really looking forward to seeing you. I've *never* been to Whitby. I love the sea and I love the sea air.
Tell me everything, when you write to me. I haven't had any news from you for a long time. I've heard some stories about a *tall*, handsome man! Who is he? Write soon,
Love Mina
